Re: Free meals through December 2020

Dear Parents/Guardians,

Recently, the USDA announced that the waiver to provide free meals to all students has been extended through December 2020. Effective September 1, 2020 through December 31, 2020, all students registered at WCHS are now eligible for a free Lunch and Breakfast from the school cafeteria.

Place Your Order Online

Students who want to order meals should fill out the meal request form online to make sure we have enough food prepared each day.

Note: There are two versions of the form available at www.wacohi.net > For Students tab > School Cafeteria. Choose either the [In-Person Learner](#) or the [Distance Learner](#) form to place your order.

Distribution

Meals will continue to be distributed at the 11 a.m. dismissal and the 3 p.m. dismissal for in-person learners. Distance learners will use the same pick-up process previously communicated. You can find that information in the distance learners online meal form.

Menu

A hot or cold option is available as well as three optional breakfasts to select from. Your student will need to come to the cafeteria and pick up the meal. No finger scanning will be necessary. The hot and cold meal menus are posted at www.wacohi.net > For Students tab > [School Cafeteria](#). We will also have available limited ala cart beverages and snack food items for purchase during the above indicated pick-up times.

If you have questions, please contact me at (309) 444-5544.

Sincerely,

Laura McCue-Newport
