Re: Weekly Update - Important Information

Dear Parents/Guardians,

We have just completed our second full week of school, and we have a few topics we would like to share with you. Please read each attachment as they all contain important information.

[Standardized Testing Dates](#) – Seniors are scheduled to take the SAT on October 14, 2020. The communication also includes the dates for the PSAT/NMSQT for juniors, and the PSAT 9 and 10.

[Meal Services](#) – Read more about free breakfast and lunch for students enrolled at WCHS.

[September A/B Calendar](#) – We have adjusted the September A/B calendar since it was first issued, so please take note of the changes. Our first day back after Labor Day, September 8, will be a B Day (Homeroom, Periods 5, 6, 7).

[Self-Isolation and Quarantine Update](#) – This information will be shared each week and is representative of the current numbers as of September 3, 2020.

We hope you have a nice extended weekend. Please continue to use caution in your personal activities, which includes observing physical distancing, wearing a face covering, and avoiding large group gatherings. We are all working hard to keep each other healthy and in school, and we appreciate your help.

Sincerely,

Dr. Kyle W. Freeman

Superintendent of Schools
Washington CHSD #308
